MONROE PRAIRIE TRAIL STORY WALK SPONSORSHIP

Would your business, organization or family like to be a part of the Story Walk in Monroe? During the summer months we change the story each month. The Friends of the Library and the Library are offering the opportunity to support this project through a sponsorship that will help cover the costs of maintenance and purchasing the books and supplies needed to keep the stories new and fresh for our community to enjoy.

What's involved? For a \$50 contribution we will provide recognition for your entity. A Story Walk board is dedicated to recognizing sponsors. We post a picture with our thanks for your sponsorship. We also recognize you on our Facebook page, website, and Instagram. This will remain in place for a minimum of 4 weeks. To get started, fill out the form below or drop off at the library, or email at admin@readmonroe.org.

We love how much the community has embraced this project and we are committed to keeping it fun and exciting for kids of all sizes for years to come.

If you have questions please call Jo or Brenda at the library at 641-259-3065.

Thanks for all your support!
